LEARN ABOUT OUR BUSINESS

VIGILENT EYE SECURITY & FACILITY SOLUTIONS

is a leading private security service company in Karnataka. Founded in January, 2023, by friends who are veterans from the police/defence and security services, Vigilent eye has firmly established its presence in Karnataka. Vigilent eye renders security services for Industrial Security, Asset Protection, investigations and Verifications and other specific services as per client requirements.

Vigilent Eye is an ISO 2023 certified company. We go beyond the borders of security by providing our clients facts-based stability while remaining focussed on effective physical security and enhanced value-based services.

We have 500+ experienced and well-trained security professionals. Vigilent eye boasts 100% statutory compliance with ESIC, PE Group Insurance and Accident coverage.

S JAYA SHREE C.E.O

We employ a robust corporate governance framework with focus on operational quality and scalability.

We actively contribute towards CSR. We exhibit strong performance in a challenging environment. Our professionalism and performance is aligned with our corporate vision. We emphasise significant investment in people, infrastructure, training and research, branding and distribution, with continuous network building across state government, police, and industry association bodies.
